Sir,

D.No. 4281

Sub: Remuneration to the Municipal Shanbhogues for the work done at the time of introducing Rationing in Bangalore City.

Adverting to correspondence ending with your letter No. SD.3848 dated 8-1-45 on the above subject, I have the honour to enclose herewith a list of Tax Inspectors, Shanbhogues and other Municipal Officials who worked at the time of the introduction of Rationing in Bangalore City and on whose behalf re-muneration has been claimed. I have discussed the subject with Mr. Machia and Mr. Ananthamiah and both of them agree that a remuneration of Rs.25/- each, as already agreed to by the Minister for supplies in his Minute dated 19-6-43, may be paid as the work was of a special and arduous nature which was successfully attended to in the short space of time then available.

It has not, however, so far been possible to verify from the records available whether all the municipal officials mentioned in the list enclosed, were engaged in the work of furnishing statistics, collecting and verifying the declarations then made and of writing ration cards. I would suggest that a sum of Rs.775/- remuneration at Rs.25/- each for 31 officials be sanctioned and placed at the disposal of the Rationing Officer, Bangalore City who will disburse the amount at the rate fixed to such of the said officials on verification and satisfaction that they

The Task of compiling statistics regarding the number of inmates in every family (estimated at about 60,000) was an enormous one and it fell to the lot of the municipal staff to complete it within a very short period of about 6 to 7 weeks. The amount of industry they had to put in for the work, will be appreciated better when it is remembered that the census operations generally take a year. Any defects in enumeration are likely to be rectified when the family declarations are all received and checked up. It can however be pointed out, that the consumers themselves gave inflated figures in order to obtain increased rations and the Shanbhogues are not in any way responsible for these defects.

It is therefore strongly recommended that the Shanbhogs be each paid Rs.50. So too, the tax-Inspectors and the Head Clerk who all were very helpful to me in pushing through the work in record time. The cost on this account works up to about Rs.1600 and they may kindly be ordered to be paid at the above rates. Such a payment would also enable us to extract loyal work from these officials again, whenever an occasion arises.

The Census was completed in a very short period and the staff deserve to be remunerated at Rs.25/- each
